## **MCKV Institute of Engineering Hosts 3 Days International Conference on “Advances in Science and Technology”**

**MCKV Institute of Engineering (MCKVIE)** today hosted a conference on “**Advances in Science and Technology**”. The conference was inaugurated by **Mr. A.S. Manekar, Director General, NCSM, Govt. of India, Prof. T.G.K. Murthy, Ex-Program Director, ISRO, Bengaluru, Dr. Utpal Roy, Syracuse University, Syracuse, USA and Mr KK Kejriwal, Managing Trustee, MCKVIE.**

“International conference on Advances in Science And Technology is aiming to provide a platform to young and dynamic engineers, researchers and professionals to share their ideas and research findings with the engineering committee. The main objective behind this was to encourage researchers to identify research issues and present their approaches. This conference is also going to create a forum with aspirants and experts for constructive cooperation to meet the social needs through research findings”, said **Mr KK Kejriwal, Managing Trustee, MCKVIE.**

**Chief Guest, Mr. A.S. Manekar, Director General, NCSM, Govt. of India delivered the Inaugural Address to the gathering followed by Key Note addresses by Guest of Honours, Prof. T.G.K. Murthy, Ex-Program Director, ISRO, Bengaluru and Dr. Utpal Roy, Syracuse University, Syracuse, USA.** There were two technical sessions on **Photonics Devices & Communication** conducted by **Prof. S.R. Bhadra Chaudhuri, Professor of Electronics & Communication Engineering, IEST, Shibpur** and on **Electrical Circuits and Systems** conducted by **Prof. C.K. Chanda, Professor of Electrical Engineering department, IEST.**

Advances in science and technology is a 3-day program. Seminar on day 2 and day 3 will be held at MCKV Institute. Topics covered on day 2 were ‘**Computing, Modelling & Informatics**’, ‘**Cyber Security & Encryption Technology**’, ‘**Heat and Thermal Technology**’ and ‘**Engineering Modelling and Simulation.**’ Topics covered on day 3 were ‘**Materials & Manufacturing**’ and ‘**Education Technology**’ etc.

### **About MCKV Institute of Engineering**

MCKV Institute of Engineering, an AICTE approved Institute, affiliated with Maulana Abul Kalam Azad University of Technology, a World Bank (TEQIP II) funded, ISO: 9001-2008 certified Institute was established in 1999 as the pioneering self-financing degree engineering college in the District of Howrah, West Bengal. Renowned industrialists, distinguished educationists, reputed social workers and men of standing, under the leadership of eminent industrialist, Mr. Shyam Sundar Kejriwal established the College with a vision to impart quality technical education. The Institute offers 4-Year B. Tech Degree courses in the following streams on Automobile Engineering, Computer Science and Engineering, Electronics and Communication Engineering, Electrical Engineering, Information Technology, and Mechanical Engineering. The Institute also offers 3-Year Master of Computer Applications (MCA) and 2-Year M-Tech Programmes in Electronics & Comm. Engineering, ECE (VLSI Design), Computer Science & Engineering and Automotive Technology.
