SastaSundar.com Awarded “Leading Technology Company” By Deloitte In Deloitte Technology Fast 50 India Program 2018

Kolkata, 30th October, 2018: Digital Healthcare platform SastaSundar.com has been recognised as a leading technology company in the Deloitte Technology Fast 50 India Program 2018.

The Deloitte Technology Fast 50 India program conducted by Deloitte Touche Tohmatsu India LLP (DTTILLP), ranks the fastest growing technology companies in India based on their percentage revenue growth over the last three financial years. SastaSundar is one of the 5 largest companies in this year's Technology Fast 50 list and is amongst the flag bearers for vertical e-commerce.

“It is a matter of pride for the entire SastaSundar.com team to receive the recognition as the Leading Technology Company in the Deloitte Technology Fast 50 India Program 2018. Our brief journey has been tough yet stimulating. Each phase of growth has been a learning experience. In a short span of time, through our innovative method of operations, we have been able to become the largest e-pharmacy company of the country. We aim to provide quality medical facilities in every nook and corner of the country”, said **Mr BL Mittal, Founder & Executive Chairman, SastaSundar.com.**

SastaSundar.com with a team of over 1000 employees has 223 healthbuddies in West Bengal and 19 healthbuddies in NCR. All services of the organisation are available throughout West Bengal and NCR and their own product portfolio and health information services are available pan India.

About Deloitte Technology Fast 50 India Program

The Technology Fast 50 India program was launched in 2005, and is conducted by Deloitte Touche Tohmatsu India LLP (DTTILLP), and is part of a truly integrated Asia Pacific program recognizing the India's fastest growing and most dynamic technology businesses (public and private) and includes all areas of technology - from internet to biotechnology, from medical and scientific to computers/hardware. The program recognizes the fastest growing technology companies in India based on their percentage revenue growth over the past three financial years.
