Shristi Infrastructure Development Corporation Ltd Announces “Vision 2022”

Kolkata, 20th June, 2019: Shristi Infrastructure Development Corporation Ltd. (SIDCL), one of the leading construction and infrastructure development companies in India, unveiled its “**Vision 2022**” plan today. The Company, that commenced its journey in the year 1999, has consistently and successfully delivered growth in the field of real estate, infrastructure, hospitality, healthcare & warehousing facilities.

Over the years, the Company has not only left its footprint in metros and tier I cities, but has taken an aggressive initiative to develop housing and infrastructure in tier II cities as well. The current projects of SIDCL in West Bengal include **Shristinagar Township** in Asansol, a mixed use project in Krishnagar, **The Kanchan Janga Integrated Park** in Siliguri and **Raniganj Square – The Highway Hub** in Raniganj. That apart, SIDCL has also ventured into Mumbai with **Shristi Sea View**, a sea facing upscale high rise. Taking the legacy forward, SIDCL has come up with **Shristinagar Guwahati**, a 250 acre mega township project in Guwahati - Assam, which once complete, will be the largest integrated township project of the Northeast. A firm believer in the ethos of ‘creating’ the future, SIDCL happens to be one of the largest contributors to economic development in Eastern India by dint of developing some of the landmark industrial parks and logistics hubs strategically located at Raniganj and Siliguri, with spaces occupied by renowned brands in the automobile, FMCG, logistics and pharmaceuticals sectors.

SIDCL’s primary focus has been to explore newer geographical territories and prioritized Tier II cities for infrastructural development. Affordable housing segment is currently the main focus area of SIDCL. SANGATI - the affordable housing was recently launched at Shristinagar Asansol. SIDCL’s resolution over the next two years in the “Vision 2022” plan would be to construct more such projects under the affordable scheme. With sizestypically ranging between 60-90 sqm depending on location, buyers can avail the PMAY Scheme on affordable housing. SIDCL now plans to introduce the affordable segment in Assam as well in the upcoming 250 acre sprawling township in Guwahati. Under the Vision 2022 plan, the Company has plans to launch affordable housing projects over an area spreading **1 million sq ft** each at **Shristinagar Asansol** and Siliguri and **1 million sq ft** at **Shristinagar Guwahati**. “With the realty sector becoming more organised and the Government’s announcement of conducive policies, the overall outlook of the industry looks progressive in the times to come”, said **Mr Sunil Jha, Managing Director, Shristi Infrastructure Development Corporation Ltd.**

The company is all set to spread its wings and scale new heights in the next couple of years.
