Siddha Group Launches Mumbai's First Rooftop Skywalk - The Epitome Of A Lifestyle Change In Mumbai -

Kolkata, 19th November, 2019:Siddha Group, East India's leading real estate developer, recently has launched their second project in Mumbai, Siddha Sky (a Sejal-Siddha project), city's first Rooftop Skywalk in Wadala. A first for the Indian real estate sector, Siddha Group's craftsmanship brings its architectural innovation of Skywalk to the city of dreams to redefine the city's skyline. Located well within the city limits, next to GTB Monorail Station, Siddha Sky is set to amaze the residents with its plush features. Siddha Sky will offer well-designed 2, 3 & 4 BHK apartments with Rooftop skywalk as well as a Residents' Club hosting all modern amenities. Siddha Sky will also have Retail and commercial Spaces christened 'Siddha Magna'.

Commenting on the launch of Siddha Sky, Mr Sanjay Jain, Managing Director, Siddha group said "With increasing pollution and diminishing land areas in cities, homebuyers are looking for living spaces which are away from the chaos and with more open spaces. We, at Siddha with the expertise of our R&D team, have gifted one such innovation-Rooftop skywalk which is going to change their lifestyle and give them askylife experience. After garnering huge success in Kolkata with Rooftop Skywalks which we had launched in four of our projects there, we are now gifting the city of dreams-Mumbai with its first Rooftop Skywalk in Siddha Sky at Wadala.

The Skywalk will host amenities like Jogging loop, Sunset Lounge, Star gazing area and many more. There will also be a club with all modern amenities for the residents. Retail and commercial spaces called Siddha Magna will be a part of the project."

Mr. Samyak Jain, Director who is spearheading the Mumbai projects expressed his views on the launch of Siddha Sky saying, "Technology has evolved rapidly in the last couple of years, bringing massive changes to the real estate industry, changing the way we operate today. At Siddha, we have always added innovations in our projects to make the home buying & living experience for the customers exuberant and of higher quality. Customer experience has always been at the forefront of what we do. The advent of technology in the sector has enabled us to further personalize that experience."

Over the last decade, Wadala has emerged as an upcoming residential market from being an industrial zone owing to its rapid development in terms of both civic and social infrastructure, connectivity, and residential market. Being conveniently located between South Mumbai and the suburbs, Wadala already benefits from its connectivity with employment hubs across the city. Its rapid development has placed Wadala on a list of upcoming Mumbai localities to watch out for. Wadala has opened up new avenues for development and homebuyers looking for a holistic development at attractive prices will not be disappointed with their investment. Wadala is the new BKC, where Mumbai will be raising and thriving in future. Infact, BKC can be easily reached in 10 mins via the newly opened BKC-Chunabhatti flyover.
