Dr Joydeep Banerjee Choudhury, Director, of Joint & Bone Care Hospital, Saltlake conceived and conducted the unique event.

Joint replacement is unquestionably the most scientific choice for individuals experiencing constant torment identified with osteoarthritis and related ailments. One of the most successful categories of Joint replacement is knee replacement surgery, with the proven objective to reinstate motion to the joint, with complete pain abatement for the patient.

“Joint & Bone Care Hospital (JBCH) is an unique specialty hospital dedicated to Orthopedics and all its subdisciplines. It is designed as a Centre of Excellence in the field and an one stop solution for all ailments of Joints & Bones. In the very short span of its inception (less than 2 years) it has been able to make a mark as one of the finest in the state in terms of bone and joint care. Apart from patients from every walk of life, most people from the sports fraternity come to avail the state of the art facilities available in our hospital. We thought of this unique walk featuring the patients of JBCH who have recovered due to the treatment provided by us so that we can showcase their post - operative flexibility. We are also thankful to the dignitaries for being present here today’, said **Dr Joydeep Banerjee Choudhury, Director, Joint & Bone Care Hospital, Saltlake**.

Following the walk, there was an interactive session on ‘**Bone And Joint Care - Recent Trends And The Road Ahead**’ at CII - Suresh Neotia Centre of Excellence for Leadership wherein experts in the field namely Dr Rajeev Raman, Dr Kiran Kumar Mukherjee, Dr Manabendra Bhattacharya, Dr Naem Akhtar, Dr Arnab Karmakar, & patients including Honourable Minister of Government of West Bengal Dr Upen Biswas, Dr Gaur Das Director Institute of Neuro Sciences Kolkata, shared their views.
