

Press Release

Captain TMT Ropes In Harbhajan Singh As Brand Ambassador

Kolkata, 16thOctober, 2020: Captain Steel India Ltd, makers of **Captain TMT Bar**, a leading reconstruction steel brand of the country, has signed Former Indian Cricketer, **Mr Harbhajan Singh** as their Brand Ambassador.

Mr Harbhajan Singh joins the list of Captain's Brand Ambassadors which also includes former Team India Cricket Captain, **Mr Sourav Ganguly** and popular actresses of the current era, **Ms Subashree Ganguly, Ms Mimi Chakraborty and Ms Nusrat Jahan**.

"It gives me immense pleasure on announcing the beginning of our relationship with one of the finest Indian cricketers of all time, Mr Harbhajan Singh. Captain TMT represents strength, power and confidence and these attributes hold true when it came to deciding on having Harbhajan on board. Having him with us now as our Brand Ambassador, gives our brand that extra edge. We already have Cricket Icon, Mr Sourav Ganguly with us since the beginning of Captain TMT and now after teaming up with Harbhajan, we are looking for an exciting future, as we all know about the great camaraderie shared by these two cricketing giants both on and off the field", said **Mr Avinash Agarwalla, Director, Captain Steel India Ltd**.

Harbhajan Singh born on 3rd July, 1980 in Jalandhar in Punjab is an Indian international cricketer, who has played all forms cricket. A specialist off-spin bowler, he has the second-highest number of Test wickets by an off spinner. He was conferred the Padma Shri, India's fourth highest civilian honour in 2009.

About Captain Steel India Ltd:

Captain Steel India Ltd is an integrated steel company with manufacturing facilities at Asansol, West Bengal and Patna, Bihar. The plant houses a high-tech quality control laboratory. Captain TMT is used in large constructions like industries, dams, bridges, highways and other infrastructural projects. Captain TMT is regularly supplied to government bodies, public enterprises and large developers. It is equally popular among individual house builders, retailers and masons. Build stronger to last longer, Captain 600 EQR is created to provide strength and protection to constructions over generations.
