Addatimes To Premiere A Mythological Thriller 'Amriter Sandhane - The Banaras Chapter' This Poila Baisakh

Kolkata 12th April, 2023: Addatimes, the first Bengali on-demand OTT Platform of the country, will premiere, **Amriter Sandhane - The Banaras Chapter**, a mythological thriller directed by **Abhinandan Dutta**, on **14th April, 2023**. The 8-episode web series stars actors **Chandan Roy Sanyal**, **Sauraseni Maitra** and **Debasish Mondal** in the lead roles. This is the first series which will premiere in Addatimes after **Surinder Films** has acquired the OTT platform.

'The thriller, as a genre, has an engaging and ever-expanding viewer base. **Amriter Sandhane – The Banaras Chapter** is our Poila Baisakh gift for Addatimes subscribers who are bound to enjoy this edge-of-the-sit thriller. The performances are real and impactful. We also have a slew of interesting series' in the pipeline which will be streamed in subsequent months', said **Mr Nispal Singh, Director, Surinder Films Pvt Ltd**.

The plot revolves around a lost manuscript where the clue to become immortal is mentioned. As many people, including an international cartel, is after the manuscript, Banaras turns into a city of crime leading to mysterious deaths. An archaeologist, Disha Chatterjee, played by **Sauraseni Maitra** and an undercover cop, Ishaan Sen, played by **Debasish Mondal** set foot in the city to solve the puzzle. They find their nemesis in professor Tarun Shasmal, played by **Chandan Roy Sanyal**, who also is trying to get hold of that clue to immortality. That's how the story unfolds in '**Amriter Sandhane**' – in search of immortality.

Addatimes will be available on Play store, App Store, Android TV, Fire TV and Samsung TV. The subscription plans are 799 INR for single a screen for 1 year and 1199 INR for 2 screens for a year. For international viewers, the subscription comes at \$ 49.99 for double screen per year.
