Techno India Group Celebrates Homecoming of Alumnus, Sri Soumajit Chatterjee, Key Contributor to Chandrayaan 3 Launch

Kolkata, 3rd November, 2023: Techno India Group, the largest educational institute in the eastern region, proudly welcomed one of its distinguished alumni, **Sri Soumajit Chatterjee**, ISRO Scientist who played a pivotal role in the successful launch of **Chandrayaan 3**, India's lunar mission. In a heartwarming homecoming celebration, **Co-Chairperson of Techno India Group, Prof. Manoshi Roychowdhury**, felicitated Sri Soumajit Chatterjee, who was greeted with enthusiasm by students, professors and well-wishers.

Sri Soumajit Chatterjee's journey from being a student at Techno India Group to becoming a vital part of the Indian Space Research Organization (ISRO) and contributing to the prestigious Chandrayaan 3 mission is an inspiring example of the potential that education and determination can unlock.

"Soumajit Chatterjee's incredible achievements in the field of space exploration are a testament to the quality education and values that Techno India Group imparts. We are proud to have him amongst us and look forward to his motivating interaction with our students in future days," said **Prof. Manoshi Roychowdhury, Co-Chairperson of Techno India Group**.

Following the felicitation, Soumajit engaged in an interactive session with the students, sharing insights from his remarkable journey at ISRO. He spoke passionately about the challenges and triumphs that he had encountered while working on the Chandrayaan 3 mission and stressed on the importance of dedication and innovation in the field of space exploration, being humble and loving your country.

The event was a unique opportunity for students and faculty to gain valuable insights from someone who has played an integral part in a mission of national importance, and it left them feeling inspired and motivated to pursue their dreams in the field of science and technology.
