Kolkata, 8th April, 2024: Jhore Jole Jongole Eco Heritage Resort, nestled amidst the breathtaking beauty of Sundarbans is hosting captivating **Summer Camps** for student aimed at fostering learning, exploration, and environmental consciousness. With a profound commitment to education and sustainable tourism, Jhore Jole Jongole Eco Heritage Resort is welcoming students to embark on an enriching journey filled with discovery and adventure. The summer camp program promises an array of engaging activities carefully curated to inspire curiosity and cultivate a deeper appreciation for nature.

"We are pleased to unveil our summer camp program, offering students a unique opportunity to connect with nature, expand their horizons, and make lifelong memories. Through immersive experiences and hands-on learning, we aim to inspire the next generation of environmental stewards and advocates", said **Prof Manoshi Roychowdhury, Co-Chairperson, Techno India Group**.

Participants of this 3-days & 2-nights Summer Camp will have the extraordinary opportunity to delve into the wonders of the Sundarbans, beginning with a visit to the Tiger Rescue Centre and Nature Study. Led by experienced guides, students will have the chance to observe and learn about the region's unique wildlife and ecosystems, while also gaining insight into conservation efforts aimed at preserving these precious habitats.

Following an invigorating morning of exploration, students will be treated to a sumptuous lunch at the resort's restaurant, **Piyali** comprising of authentic local cuisine. The afternoon will be filled with joy and camaraderie as students would come together for dance and music sessions amidst the resort's verdant lawn and stage area. This vibrant cultural exchange promises to foster creativity and forge lasting memories.

On the second day, the students will embark on a mesmerizing boat ride, navigating the serene waters of Matla Riverside Forest, Herobhanga Forest side, Bidyadhari River, Balikhali Char and Panchamukhi. Along the journey, they will enjoy a delightful lunch served onboard. Back at the resort, students will have access to a dedicated boardroom equipped with a projector, providing the perfect setting for school presentations or group workshops. This space offers a platform for collaborative learning and creative expression, fostering intellectual growth and camaraderie among participants.

In addition to organized activities, students will have the opportunity to partake in various resort amenities and recreational offerings, ensuring a well-rounded and memorable experience for all. On the 3rd day, they return after having breakfast.
