## **Celluloid Films Unveiled the Trailer & Poster of “Haati Haati Paa Paa” – A Heartwarming Tale of Love, Duty and Family Bonds**

**Kolkata, 12<sup>th</sup> November, 2025:** **Celluloid Films**, a Kolkata-based movie production house, today unveiled the trailer and poster of its much-awaited venture ‘**Haati Haati Paa Paa**’, directed by **Arnab K Middya**. The event was graced by the film’s cast and crew members including **Chiranjeet Chakraborty, Rukmini Maitra, Sandeep Bhattacharjee and Biswarup Bandyopadhyay**, along with **Producer Arunava Middya**.

**Haati Haati Paa Paa** tells the story of a young woman and her elderly father as they navigate the delicate complexities of aging, emotional responsibility, and changing family dynamics. Set in a contemporary urban backdrop, the film explores themes of unconditional love, duty, loneliness, and intergenerational bonds — shedding light on the unspoken emotions that bind families beyond words and time.

The film stars **Rukmini Maitra** and **Chiranjeet Chakraborty** in lead roles, supported by **Anjana Basu, Tulika Basu, Sandeep Bhattacharjee, Biswarup Bandyopadhyay, Eshika Dey, Swagata Basu, Sayan Ghosh and Monalisa Chatterjee**. The creative team includes **Cinematographer Indranath Marick, Editor Pronoy Dasgupta, Sound Designer Amit Kumar Dutta, Screenplay Writer Priyanka Poddar and Art Director Ananda Adhya**. Music for the film has been composed by **Ranajoy Bhattacharjee and Anirban Ajoy Das**.

“**Haati Haati Paa Paa** is not just a story — it’s an emotional journey that mirrors countless real-life relationships between parents and children. Through this film, I wanted to portray the silent love, emotional distance, and the invisible thread of duty that connects families in today’s fast-paced world. It’s a reminder that sometimes, love doesn’t need words — just presence,” said, **Director Arnab K Middya**.

**Haati Haati Paa Paa** is set to hit the standalone theatres and multiplexes across West Bengal on **28th November 2025**. The trailer of the film will be streaming on all the major digital platforms and will portray a brief and impressive outline of the film.
