Bangla ZEE5 Launches Dameer Khan's New Single Track 'Haather Rekha' From The Web Series Prem Shots

Kolkata, 22nd July, 2026: Bangla ZEE5 today organised a Special Adda Session with the cast and crew of their upcoming romantic web series Prem Shots. Present for the occasion were **Actors, Bonny Sengupta, Angana Roy, Music Director Sanai, Singer Dameer Khan, Director Srimanta Sengupta & Ms Rusa Banerjee, Business Head, Bangla ZEE5.**

Bangla ZEE5 also launched singer Dameer Khan's melody from the series, **Haather Rekha** which is a romantic electro-folk single. The track, which was sung, composed, written and arranged by Dameer himself offered audiences a soulful blend of contemporary electronic music and folk melodies, perfectly complementing the emotional essence of Prem Shots.

Prem Shots is a heartwarming romantic drama that follows the journey of two individuals brought together by chance at a turning point in their lives. The story revolves around a runaway bride trying to leave behind the burdens of her past, who unexpectedly meets an independent young entrepreneur determined to live life on his own terms. As their lives become intertwined, they discover love, healing and a sense of belonging, only to be confronted by the realities of their past that test their relationship.

Led by Bonny Sengupta and Angana Roy, the six-episode series also marks the Bangla OTT debut of Actor & Creator, **Shreya Guptoo**, who plays a pivotal role. Blending romance, self-discovery and emotional resilience, the series presents a contemporary take on relationships while exploring themes of personal choices and second chances.

"Prem Shots is a story that reflects the emotions, aspirations and complexities of today's generation while remaining rooted in the timeless feeling of love. Bonny and Angana have brought remarkable chemistry to their characters, while Shreya has added a refreshing new energy to the narrative. Through this series, we have also showcased a different side of Kolkata, highlighting its cafés, startup culture and evolving urban lifestyle. We hope audiences connect with the story and embark on this beautiful journey with us when the series premieres on Bangla ZEE5", said **Director, Mr Srimanta Sengupta**

"At Bangla ZEE5, we are constantly striving to bring fresh, relatable and engaging stories to our audiences. Prem Shots is a celebration of modern love, personal growth and meaningful relationships, told through characters that today's viewers will connect with. We are equally excited to launch 'Haather Rekha' alongside the series, as its soulful electro-folk sound beautifully complements the emotions and spirit of the show. We hope both the series and the music leave a lasting impression on our audiences when they premiere on Bangla ZEE5", said **Ms Rusa Banerjee, Business Head, Bangla ZEE5**

The soulful melody Haather Rekha is already streaming across all the social media platforms and the YouTube channel of Bangla ZEE5.

Bangla ZEE5's forthcoming romantic web series Prem Shots will be premiering on 24th July, 2026 promising the audiences an emotional, feel-good romantic journey of love, hope and self-discovery.
